

BPS 3/1/1 Vol.1 (21)

14<sup>th</sup> March 2022

For Immediate Release

**Tumasera, Rakops and  
Pandamatenga Post Office  
Official Opening**

In line with its strategic objectives, BotswanaPost has prioritised the creation and preservation of its property values through refurbishment and building of new post offices nationwide. As such, following the successful openings of Sikwane, Ramotlabaki, Ntlhantlhe and Maun Post Offices, BotswanaPost is launching three (3) more Post Offices in Tumasera on the 24 March 2022, Rakops 26<sup>th</sup> March 2022, and Pandamatenga 28<sup>th</sup> March 2022. All the events will start at 0900 on the scheduled dates. These Post Offices will be offering all services with introduction of new services at a later stage.

All three Post Office upgrades reflect BotswanaPost's strategic commitment to improving its service points across the country to enhance customer and staff experiences whilst also improving property value. All three developments include the expansion of the circulation bureau (CB), the banking hall, offices, the installation of new air conditioning, and security enhancements to accommodate current business needs. To mark the respective post office openings, BotswanaPost Chief Executive Officer - Mr. Cornelius Ramatlhakwane will host various stakeholders from government and the private sector.

In addition to these Post Offices being opened, we encourage the use of our other available platforms in accessing BotswanaPost products and services, including visiting your nearest BotswanaPost kiosks in Choppies stores and self-service platforms.
